Intent intent = new Intent(this, MainActivity.class); startActivity(intent); This all works great. The problem I'm having is that I can't seem to figure out how to shutdown the service. I have tried using Intent intent = new Intent(this, MainActivity.class); startActivity(intent); stopService(intent); but this only gives a partial shut down. So my question is there a way to fully shutdown this service or will I have to do this completely from the original activity? A: This is my solution to get a service to fully shutdown Intent intent = new Intent(this, MainActivity.class); intent.setFlags(Intent.FLAG ACTIVITY NEW TASK); startActivity(intent); Intent serviceIntent = new Intent(this, MyService.class); stopService(serviceIntent); Thallium-201 scintigraphy in multiple sclerosis: uptake, redistribution, and relationship to clinical course. Routine scintigraphic assessment of multiple sclerosis has proved to be difficult, and the ideal study in terms of sensitivity and specificity has not been established. We therefore evaluated both the Thallium-201 technique in multiple sclerosis and the relationship of regional tracer uptake to clinical and magnetic resonance imaging characteristics. A Rajiv Patil Film Directed Marathi Biopic.Ms. Kung is one of the few women in the world making the art of roller-blading because the sport is dominated by

men. At home in Shanghai, she rollerskates at a rink where her father works. She likes wearing revealing clothes, dancing and singing. People say she is sexy. She says she is a fighter. At 20, Ms. Kung is one of the most well-known women in roller-skating circles. She has amassed more than a million followers on social media,

with fans from around the world, in the United States and elsewhere, eager to see where her next stop will be. As her popularity has grown, however, Ms. Kung has ruffled feathers in the United States and China. Concerned about what her gender has to do with her talent, some Chinese fans have questioned Ms. Kung's weight. Others have said

she is too young to skate. Chinese television has reported that local officials have questioned the "illegal" nature of her skating. "Chinese people consider me the best skater," Ms. Kung said. "But in America they say I am a man." Ms. Kung's roller-skating career began in 2008, when she was 12. After seeing pictures of her skate on

social media, Chinese fans were eager to learn about her skill. After a few YouTube videos were posted, Ms. Kung, who skates on a pair 648931e174
